PENTA PERSONNEL

Penta Delmon Trading W.L.L., Kingdom of Bahrain is focused on delivering the authentic Indian ethnic taste which is purely natural. We deliver products like **NATCHO** which is known for its natural quality and its products are popular among the localities. We aim to bring such products and give our customers, the taste of our motherland. Since our inception, with the dedicated vision and foresight of our founders, we become the beacon that has inspired many households to adopt the natural ways offered by **Natcho products**. In a short span of time Penta Delmon has built a legacy and reputation for authentic natural taste.

PENTA DREAM

We aim to be the most trusted, authentic and premium Indian food brand, that stands for delivering the regional taste & diversity of India with its natural freshness to all our domestic and international customers - ***A Unique concept in Quality & Taste.***

PENTA TASK

To redefine customer delight and create new industry benchmarks through constant innovation research and technology. Strengthen social commitment by working towards the benefit of the community.
